CONNECT WITH KIEWIT IN COLORADO!

PLEASE JOIN US FOR A DIVERSE SUBCONTRACTOR AND SUPPLIER NETWORKING EVENT

Whether you are an existing partner or a potential firm looking to learn more about opportunities to work with Kiewit – we want to connect with you! Meet our team, check out our Regional Headquarters and learn about the company and how to work with us.

Representatives from **Kiewit Infrastructure**, **Kiewit Building Group**, and **Kiewit Engineering** will be on hand to share information about our current projects and pursuits with private owners and local agencies including the City and County of Denver, Colorado Department of Transportation, Denver Water, University of Colorado, and various local Municipalities.

COMMITMENT TO INCLUSION

Kiewit is committed to meeting to maximizing opportunities for local, small, and diverse firms in our projects by: dividing work into economically feasible packages to ensure equitable and meaningful participation; providing timely notification of opportunities through various outreach methods; and partnering with industry and community assist agencies to provide support and resources to firms seeking assistance.

Kiewit is an Equal Opportunity Employer.
